*Umpires have total control over all matches.*

### 16. CARD SYSTEM/SUSPENSION

- 16.1** CMHA has adopted the Hockey NZ card system for use by umpires, which forms the basis for a system which triggers an automatic penalty or indicates that a participant may or will be summonsed to appear before the Judiciary. The issue of a card carries points, which can be awarded by umpires to any participant (player, coach, manager, spectator or official) associated with the team during a match (which is defined as the

period 15 minutes prior to the start of a match until 15 minutes after the match has ended).

- 16.2** Without limiting the application of the Code of Conduct, a card may be issued where a participant:
- Swears, spontaneously or otherwise (see Foul language and abuse policy 18:0)
  - Spits on, refuses to take measures to stop bleeding on or otherwise cause a turf to be potentially infected in an avoidable manner.
  - Strikes or strikes at other participants, whether it be with stick, fist or foot or otherwise
    - Indulge in abuse, at other participants or umpires, or indulge in displays of dissent; conduct any unseemly or unsporting behaviour.
  - Displays any behaviour, which brings disrepute to the sport of Hockey or CMHA

### Guidance

*Where a 'Participant' is not a player, the Umpire may issue a card to the Team Captain instead.*

- 16.3** In addition, the Judiciary has the power to hear any matters relating to behavior detrimental to the sport of Hockey or CMHA, by any participant whether that behavior takes place during a match or at some other time.
- 16.4** During a match and for a period of 15 minutes after the conclusion of a match, the umpire may issue a participant with a green, yellow or red card. A green card serves as a warning and a 2 min suspension; any level of yellow means suspension from the game for 5 minutes or 10 minutes, depending on the nature of the offence, and a red card

means the recipient will take no further part in the game. The umpires shall record all cards issued during a match on the team card via PlayHq.

**16.5** Each card will carry penalty points as follows:

- Green card - 1 point
- Yellow card 3-6 points (3 points- Technical Foul, 5 points – Breakdown Foul, 6 points-Abuse)- 3-4 points = 5 minute Yellow suspension, 5 or 6 points = 10min Yellow suspension
- Red card 12 points

**16.6** Any player receiving a red card in a CMHA Senior game is automatically awarded 12 points and is suspended from playing in all CMHA Senior games for a period of 10 days. The player may be required to appear before the Judiciary, which may impose whatever additional penalty, including a further suspension, that the Judiciary considers appropriate.

**16.7** Participants receiving yellow or green cards during a season and accumulating 12 points will automatically be suspended until the completion of the next scheduled game for the team in which the player is registered. The Judiciary may require the offender to appear before it and may impose whatever additional penalty, including a further suspension, that the Judiciary considers appropriate.

**16.8** Following the penalty/suspension, 6 points will remain credited to the participant, such that the accumulation of another 6 or more points will result in a further automatic suspension under rule 17.7. Penalty points are retained as per the code of conduct.

- 16.10** The Judiciary shall consider all incidents as per the CMHA Code of Conduct.
- 16.11** The Judiciary may affect further suspensions, fines or other action against a participant as it deems fit in the circumstances.
- 16.12** The Judiciary will confirm any decisions in writing to the Competition Manager and the CMHA Office who will in turn inform the participant's club secretary.
